

Together, we live life boldly!

We are a community built on lived experience, big hearts and a belief that everyone deserves the chance to belong, have fun and be themselves.

We support children, young people and adults with **profound and multiple learning disabilities (PMLD)**, along with their families and carers.

Through joyful, inclusive activities and regular meet ups, we create spaces where friendships grow, confidence shines and amazing memories are made.

We run regular community gatherings and fun meet ups in **Greater Manchester**.

OUR VALUES: ★ **CONNECTION** ★ **JOY** ★ **RESPECT** ★ **ADVENTURE** ★ **COLLABORATION**
